

The 2019 International Pain Management Symposium

May 5 - 12, 2019

Cruise from Port of Miami to Tortola, BVI, St Thomas, USVI and Nassau, Bahamas

Pain Management: Microcurrent Point Stimulation & CBD Nano Water **12 CEs with Dr. Antoine Chevalier, PhD, MPP**

Help your patients reduce chronic and acute pain with Microcurrent Point Stimulation (MPS). In this class, you'll learn how and why MPS works to reduce pain and deregulates the autonomic nervous system to get improve conditions including arthritis, back pain, sciatica, joint pain, fibromyalgia, TMJ, sports injuries and so many others. Returning and new students will learn new techniques and get access to the very latest research for this innovative modality. As a bonus, we will discuss CBD nano water and how to incorporate it with MPS for even more effective results. If you are a patient, attending this class will definitely motivate you to find an MPS practitioner.

Founder and Owner of Long Lasting Health, Antoine Chevalier, earned a PhD from the University of Sorbonne and has worked for the Executive Office of the President of the United States since 2001.

Essential Oils and Analgesics for Pain Management **8 CEs with John Romano, LMT, MPP**

Essential oils have been used for pain relief and wellness for centuries, but often are left out of clinical massage or medical treatments. In this class, you'll learn how and when to add essential oils to pain relief practice, including how to use the oils with MPS treatments. We'll discuss which essential oils make the best analgesics, which to blend together for pain relief, and which to avoid as well as the benefits and contraindications for essential oils. Some sample products will be available for take home use as well.

John Romano, LMT, MPP, is the owner of Other Worlds Therapies and the International Aromatherapy Institute. He has been a Licensed Massage Therapist for 32 years and has taught nationally and internationally, including at the International Lymphatic Symposium in 2017. John has worked on both elite and professional athletes and was selected to be a therapist for the 2012 Olympics in London.

Painless Promotions: Stress-Free Marketing to Reach Pain Relief Clients **4 CEs with Felicia Brown, LMBT**

In the first two classes, you'll learn amazing techniques for reducing clients' pain and improving their health. But as effective as these new skills will be, you cannot help anyone unless they are on your table. Enter the hidden modality all pain relief professionals need in their toolbox: **MARKETING!** This fun and engaging class will help you spread the word about your awesome new skills. You'll learn several painless promotions designed specifically for clients searching for pain relief solutions. And if you use what you learn, you'll have plenty of people on your table and money in your pocket to pay for your cruise and class in no time:-)
